Other

- Technical Director: I have been involved in organising and running several squash events at national, regional and world level as tournament director as well as technical director.
- Coaching: I have been coaching teams and players up to 1998 including being the national coach for juniors U19 1984-1989. I held a level 3 Swedish coaching degree at that time.
- Development: I have been responsible for organising the 2006 (Malmö) and 2012 WSF World Coaching and development Conference (Stockholm) including the WSF AGM.
- ESF Junior Circuit: I setup the initial ESF junior Circuit together with David Burton in 1986. I was nominated by the ESF Board to evaluate the Super Series Junior Circuit. This involves travelling to tournaments, supporting hosts, and ensuring the circuit standards are met by sharing feedback to the Junior Committee.
- Championships: I have been chair of the organising committees of:
 - The European Junior U15/U17 Team Championships 2001
 - The European Junior U19 Individual & Team Championships 2005
 - The European Club Championships 2006
 - The European Team Championships 2009 (all divisions)
 - The European Masters Championship 2015
 - The European Junior U15/U17 Team Championships 2018
- Software Development: I have a keen interest in the development and functionality of the tournament software. I facilitated a workshop in Birmingham in 2017 for the BJO Committee. Chaired the ESF Workshop in Amsterdam 2020. I am also in regular communications with the ESF and WSF office to offer support where necessary.
