Event Package - per person	€ 280	Host			

NOTES:

Event package is the minimum MNFs must offer in a tender

Event package is per person per event (player/reserve/coach/physio)

Event package covers the complete organisation, e.g. referees, transport between venues if multiple locations are used, opening ceremony, court admission, streaming, final party, etc

Optional hotel package (in designated event hotel) will still be offered by the host at the best negotiated rate, but will be optional for players/teams

Food and transport from/to the airport or nearest train station are also optional extras to be offered in combination with the optional hotel package as part of the tender

Hotel, food and transport will be considered by ESF as part of the bid's attractiveness, and remain part of the inspection visit/report
