NOTES:

Change of levies accompanies a change to the package system underpinning the tender process

Event package is the minimum MNAs must offer in a tender

Event package is per person per event (player / reserve / coach / physio)

Event package covers event organisation (complete), incl. final party/dinner

Hotel package (in designated event hotel) will still be offered by the host at the best negotiated rate, but will be optional for players/teams

Food and transport also optional extras to be offered as part of the tender

Hotel, food and transport will be considered by ESF as part of the bid's attractiveness, and remain part of the inspection visit/report
