12<sup>th</sup> January 2015

**NOMINATION FOR PRESIDENT OF THE EUROPEAN SQUASH FEDERATION**

This is to confirm my willingness to stand for the role of ESF President in the 2015 elections.

With regard to declaring my interests in squash, my full-time employed role as Director of Sport at the University of Birmingham includes squash (and the provision of squash courts) as one of 50 sporting activities to students, local community and other sporting bodies. In a voluntary capacity I also hold the role of Technical Delegate for Squash for FISU (International University Sports Federation), and am a Vice-President of England S&R, which is an honorary role, not a Board position. I have no other direct interests in squash.

I have no personal financial interests in squash.

Yours Sincerely

Zena Wooldridge OBE
